

Do good and live rent-free.

We are seeking a roommate/overnight live-in caregiver.

Description

In collaboration with Autism Delaware, an organization with a mission to help people and families affected by autism, we seek a candidate interested in becoming a roommate/live-in overnight caregiver for our son.

The live-in caregiver will reside in the Parkridge Condominium community in Bellefonte-Wilmington. They would enjoy a large private bedroom and bathroom with an adjacent office space. There are no charges for rent, utilities, and WIFI. Other free amenities include Furniture, television, washer& dryer, linens, bedding, an outdoor swimming pool, tennis court, a small gym, as well as well-appointed common areas.

The live-in caregiver must be on-site overnight from Monday evening to Saturday evening from 9:45 pm –8:15 am. This position is not overnight awake as our son usually sleeps through the night.

Our son is a 50-year-old man with a diagnosis of autism and intellectual disability. In addition to some spoken words, he uses the picture icons to communicate most of his wants and needs. However, the inability to express himself may occasionally result in loud vocalizations or meltdowns. During awake hours at home and at his job, trained staff cares for him. In addition, he spends Sundays at home with his parents, who selected this residential model specifically for their son's well-being and are essential members of his support team. They and other team members strive to maintain a safe, healthy, and positive environment where everyone is treated with respect and dignity.

Desired qualifications

- Must be at least 21 years old
- Have some experience as an in-home caregiver or direct support professional with developmental disability population
- Must have a valid driver's license with a safe driving record
- Before employment, applicants must pass state and federal background checks and take Covid TB tests and a drug screen.
- This setting is a drug, tobacco, and alcohol-free workplace.

To apply, send resume and letter of interest to:
