

Do good and live rent-free!

We seek a housemate for overnight hours only.

In collaboration with Autism Delaware(<https://www.autismdelaware.org/>), an organization with a mission to help people and families affected by autism, **we seek a caring individual** interested in becoming a housemate for our son.

Description

We are looking for the perfect candidate **to live in our son's condominium and be present from 10:00 pm when his support staff leaves until 8:00 am the next day when his staff return.** Usually, our son does not require care during the night, although he needs assistance getting ready in the morning. Unless we are away, **the candidate will have weekends off from Saturday morning to Monday evening.**

In exchange for the above, the candidate will **live rent-free** in a condominium in Wilmington/Bellefonte, close to I.495 and I.95. They would enjoy a sizeable furnished bedroom and a private bathroom with an adjacent office/sitting room). Additional amenities **include free utilities, WIFI**, a personal television, washer & dryer, towels, linens, bedding, an outdoor swimming pool, a tennis /basketball court, and a small gym. The candidate will share the kitchen and other living areas with our son and his support staff (See photos on reverse)

Our son is a 51-year-old man with autism and intellectual disability. In addition to spoken words, he uses pictures to communicate his wants and needs. However, the inability to express himself may occasionally result in frustration and loud vocalizations. Otherwise, he is a very active and engaging individual. He works at a supermarket four days a week. Trained Autism Delaware staff support him in his work and leisure activities during daytime and evening hours.

Preferred Qualifications

Some understanding of autism/developmental disabilities and acceptance of differences.

Requirements

The candidate must be at least 21 years old, pass no-cost state and federal background checks, a drug test, and Covid* and TB tests, and agree to a no smoking, drug, and alcohol-free environment. *(We strongly prefer Covid vaccinated and boosted applicants)

To Apply

Please send a summary of your qualifications and state your interest in this opportunity.
